Buildings: As regards building to various Branch Libraries, it has to be noted that the Branch Libraries will be started on rental buildings for the time being. Even the City Central Library, Mysore, is not having the building of its own. The present building of the City Central Library is not well accommodative for library as the Library is a growing organism. It has to meet the requiremts of the ever increasing clientele.

However, a site on Ramaswamy Walk near Kukkarahalli Tank is secured for construction of the City Central Library building, for the efficient working of the library on a modern and scientific lines, a well accommodative building for the City Central Library has to the constructed.

For other details please see the notice board of City Central Library. Mysore.

Suggestions and objections, if any, may be addressed to the Librarian, City Central Library, Mysore. within a month from the date of publication in the *Karnataka Gazette*.

D. RAMAIAH,
Librarian.
